

If you have ever attended a Women Inspiring Women event, you know how beneficial it can be networking with other women . . .

Now you can enhance your networking efforts from the comfort of your office (and during your lunch break!)

---

## Women Inspiring Women is going virtual!

Join stellar business women on line and over the phone using a technology called BlitzTime. The format of these events is 25-minute presentations and 4 short 1-to-1 networking meetings with other women in business. Think of it as speed dating for business networking! All this from the comfort of your home or office.

Meetings are held twice a month on alternating Tuesdays at Noon.  
Register for upcoming events:  
[www.blitztime.com/p/WIWNnetworking](http://www.blitztime.com/p/WIWNnetworking)

*\*\*The first two events you attend are FREE by registering through the above site. After that, you have the option to become a member of BlitzTime for a small (under \$25) monthly fee to attend UNLIMITED networking events on BlitzTime including the Boston Executives Club, Consummate Networker Group, Big Boston Blitz (with 200+ participants) and Home Based Business Owners.*

Hosting your own BlitzTime sessions would enhance your business, too!
