Portraits for a Purpose!

With
Don Chick, Don Chick Photography
and Angela MacKinnon of Mary Kay!
Proceeds benefitting the
NH Food Bank

Women Inspiring Women is participating in
Portraits for a Purpose at the September 16th event in Portsmouth!
We're empowering women while helping the NH Food Bank!

Your image makes a very powerful statement about who you are! By participating in the P4P experience, you will be empowered with a more positive and professional visual presence that conveys integrity, confidence and success in both business and social settings ALL while increasing charitable donations for the New Hampshire Food Bank.

MISSION

Portraits for a Purpose (P4P) was created to encourage and empower our friends, neighbors and local communities in three primary ways: (1) To help local businesses present a more positive and professional visual presence to their specific market audiences; (2) To help grow small business exposure through "linking" and possible business referrals; and (3) To facilitate increased charitable donations for the New Hampshire Food Bank. This is accomplished through scheduled events where participants enjoy a complete professional image consultation and studio portrait session that combine to put your "best foot forward" in business. The P4P Experience always includes a portion of each package going directly to the New Hampshire Food Bank.

PRODUCTS

During your P4P Experience, Angela V. MacKinnon, a nationally recognized, successful, image artist will guide you to achieving your own unique and professional style through expert analysis of individual skin tone & texture, hair & eye color and advice on wardrobe color and style. You will then be treated to a professional studio portrait session with Master Photographer, Don Chick, adjunct instructor at Boston University's Center for Digital Imaging Arts. This portrait session will also include one image of your choice, complete with artist's enhancements, presented in color and classic black and white along with a letter allowing for publication /reproduction /distribution. Additional products/services are also available for purchase.

INVESTMENT

Investment in the P4P Experience - base price of \$110 for Women Inspiring Women attendees (regular price is \$175). Additional products/services are also available for purchase. 100% satisfaction guaranteed!

Advance registration of \$55 is required (go to Women Inspiring Women at www.wiwnh.com). The balance of your selected package will be paid at the event with one check being payable to P4P and one check being payable directly to The New Hampshire Food Bank). The portrait sessions will run from 5:30 to 8:30, during the "Chicks-Conversation-and Cocktails" event; however, earlier appointments may be scheduled. Contact Women Inspiring Women for details at (603) 744-0400 or info@wiwnh.com.
